  - Ms. Wilson will be helping with the Fronts

**5:30 PM** - Start getting dressed for the evening

**6:00 PM** - Group Warm-up & Rehearsal

**6:20 PM** - Line-up & March to the stadium

- We will need to push/carry our props to the field

**6:40 PM** - Line-up for the Pregame Performance

**7:00 PM** - Kick-off

*Students are responsible for their uniform in the stands. Students will keep instruments with them, stay in their sections, and be ready to play. **PLEASE, help us keep our band area for band students only! Parents, please sit to the side of the band, not in amongst the band. We are trying to do work and we don't need added distractions.***

**8:00 PM** - Halftime Performance (this is a guess!)

## **AFTER HALFTIME**

You are responsible for taking YOUR PROP back to the MIS. When we get here, you will quickly prepare your prop for travel. That includes preparing prop for loading on the U-Haul. Front Ensemble will push their equipment back up and will prepare their instrument for travel. Once that is completed, we will walk back to the stadium and finish the evening. If there is time,

students will be allowed to get something to snack on. It depends on how fast we can complete the disassembly/loading of props.

**10:00 PM** - Game should be done. When we get back to the MIS, students will put their instrument and load it on the trailer. Once all instruments are loaded, we will have uniforms packed up and ready to load the racks on the trailer. **ALL STUDENTS WILL THEN HELP LOAD STUFF ON THE U-HAULS AND TRAILERS!** Students will not be allowed to leave until the trailer is successfully loaded for Saturday's performance!
