*Students are responsible for their uniform in the stands. Students will keep instruments with them, stay in their sections, and be ready to play. **PLEASE, help us keep our band area for band students only! Parents, please sit to the side of the band, not in amongst the band. We are trying to do work and we don't need added distractions.***

8:00 PM - Halftime Performance (this is a guess!)

AFTER HALFTIME

You are responsible for taking YOUR PROP back to the MIS. When we get here, you will quickly prepare your prop for travel. That includes preparing prop for loading on the U-Haul. The Front Ensemble will push their equipment back up and we will take it back to the HS FIRST. Props MUST be taken apart and be ready for transport at this point! If we can have a small group of students to help transport, that would be great!

10:00 PM - Game should be done. When we get back to the MIS, students will put their instrument away and load it on the trailer. Once all instruments are loaded, we will have uniforms packed up and ready to load the racks on the trailer. Students will not be allowed to leave until the trailer is successfully loaded for Saturday's performance!
