Pit Crew Dates	Graded Full Band Dates	Graduation (8th Grade Only)
----------------	------------------------	-----------------------------

Pit Crew - The Pit Crew is a Middle School organization of band students, typically 8th Graders, that help with moving props and equipment for the High School Band at competitions and/or at home football games. These students must fill out a permission slip, with parent approval, and will be selected by the band directors on the basis of Respect, Responsibility, and Availability to help. Students may be dismissed from this position during the season, if they do not meet our required standards.

Graded Full Band Dates - These dates are usually parades, competitions, or concerts. Your student's grade in band is dependent on their attendance at these MANDATORY events. Make sure your calendar is cleared!

Graduation - We have started allowing students in the 8th Grade to play with the High School Band during Graduation. We look forward to expanding this tradition in the coming years! This date is NOT mandatory!

The **ITALICIZED DATES** are events we encourage our students to participate in! We provide various opportunities for students to be enriched and push themselves outside of our band classroom. We encourage all students to audition for an honor band OR perform a solo for a contest!
